BD Vacutainer® Eclipse™ Blood Collection Needle
with Pre-Attached Holder

Usage of Product

1. Ready to use right out of the package, with no assembly required!

2a. Gently position pink safety shield straight back toward the holder.
2b. Twist and pull colored needle cap straight off.

3. Perform venipuncture according to your facility’s established procedures.

4. Immediately after removing needle from vein, position thumb squarely on pink safety shield thumb pad and push pink safety shield forward to cover needle. An audible click may be heard. Lock shield into place and inspect. DO NOT attempt to engage safety shield by pressing against a hard surface.

5. Discard immediately into an approved sharps disposal container. DO NOT remove needle from holder. Dispose of the needle and holder as one unit into nearest sharps container. DO NOT REUSE.

Note: The needle bevel is always in position for venipuncture when the pink safety shield is facing up. DO NOT twist or rotate the pink safety shield.

IMPORTANT SAFETY TIPS
• DO NOT REUSE HOLDER
• Holder threads are designed to be used ONLY ONCE.
• Reuse of holder is potentially unsafe and could result in serious injury or exposure to bloodborne pathogens.
• Dispose of needle and holder as a single unit.
