

BD™ Neonatal/Pediatric Introducers and Catheters

BD™ Neonatal/Pediatric introducers and catheters are designed specifically for this patient population.

Clinician options

- Silicone catheter designed with soft, integrated extension set to enhance patient comfort
- Polyurethane catheter available in sizes for this population
- Safety and nonsafety introducers with features designed to enhance first-stick proficiency
- Availability of procedure tray configuration as a stand-alone or in a kit

Early confirmation of vein access

- BD Instaflash™ Needle Technology provides rapid visualization of blood return along the catheter shaft and is designed to enhance first-stick success in a highly vulnerable patient population

BD™ Neonatal/Pediatric Introducers and Catheters

Vascular access products you can trust

CAT. #	DESCRIPTION	EA/CS
INTRODUCERS		
BD™ Introsyte-N™ Autoguard™ Shielded Introducer		
384008	26 G (1.9 Fr) BD Introsyte-N Autoguard Shielded Introducer	10 EA/CS
BD™ Introsyte-N™ Introducer		
384031	22 G (2.8 Fr) BD Introsyte-N Introducer	10 EA/CS
384021	26 G (1.9 Fr) BD Introsyte-N Introducer	10 EA/CS
BD™ Break-Away Needle Introducer		
384061	30 G (1.2 Fr) Splittable Introducer Needle	10 EA/CS
SILICONE CATHETERS & KITS		
BD First PICC™ Single Lumen Catheter Only		
384357	20 G (3 Fr) x 20 cm S/L BD First Midcath Midline, Cath only	5 EA/CS
384101	22 G (2.8 Fr) x 50 cm S/L BD First PICC, Cath only	5 EA/CS
384232	26 G (1.9 Fr) x 50 cm S/L BD First PICC, Cath only	5 EA/CS
BD First PICC™ Single Lumen Basic Kit with BD Introsyte™ Introducer		
384221	26 G (1.9 Fr) x 50 cm S/L BD First PICC Basic Kit with BD Introsyte Introducer	5 EA/CS
BD First PICC™ Single Lumen Complete Kit with BD Introsyte™ Introducer		
384224	26 G (1.9 Fr) x 50 cm S/L First PICC Complete Kit with BD Introsyte Introducer	5 EA/CS
POLYURETHANE CATHETERS & KITS		
BD L-Cath™ Polyurethane Small Vein Access		
384620	20 G (3 Fr) S/L BD L-Cath Midline, Cath only	10 EA/CS
384539	24 G (1.9 Fr) x 30 cm S/L BD L-Cath Poly PICC, Cath only	10 EA/CS
384516	28 G (1.2 Fr) x 25 cm S/L BD L-Cath PICC Poly Plcmt Set with U-Wing	10 EA/CS
PROCEDURE TRAY		
384825	Complete Procedure Tray – Neonatal/Infant PICC or Midline	5 EA/CS
384826	Complete Procedure Tray – Adult/Pediatric PICC or Midline	5 EA/CS
384827	Complete Procedure Tray – Adult/Pediatric PICC or Midline	5 EA/CS
