Type: Product Discontinuation

Bulletin: 8

Date: August 25, 2010

BD Sharps Disposal Systems has developed a new 3 gal BD™ Chemotherapy Sharps Collector that will replace our current 3 gal BD Chemotherapy Sharps product.

The new 3 gal Chemo will have a similar yellow base as the current product, but will incorporate a new and improved cap design.

The new product will be available in September and will have a new BD Reference number. The new BD reference number is **305076** and will replace the current number **305492**.

When the product is available, you will receive immediate shipment to your facility.

BD Reference numbers that will be discontinued and replaced are:
