

STEM STARS

SCIENCE
TECHNOLOGY
ENGINEERING
MATHS

BD STEM Stars competition is all about advancing the world of health through STEM. We ask student(s) to tackle a healthcare issue that affects them or members of their community and how they propose to solve it using STEM subjects.

ABOUT OUR EVENT

- Open to schools in the Munster region. *(ROI only)*
- The competition will promote and encourage participation in STEM subjects for young people aged between 13-19 years of age.
- The competition is open to individual students or a group (max 8). *Max. three entries per school.*

CATEGORIES

Student prizes across 6 categories:

- *Best Software*
- *Product*
- *Research Poster*
- *Demo*
- *Video*
- *Grand prize*
