

BD Product Name: **Care Coordination Engine**

Date of Critical or Security Patches: Jan 2022

Abstract: Critical or Security Patches – Jan 2022

### Microsoft® & Third-Party Patches

BD has identified patches from Microsoft that have been identified as critical or security related for Jan 2022. These patches were not found to adversely affect BD products and will be applied according to customers' service agreement.

Customers that maintain patches independent of BD automated delivery should ensure the validated patches are installed on their BD systems as the acting responsible entity in order to maintain the correct security posture of the system(s).

Patch Name	Description	Patch ID	Notes
