

Security Patches: Care Coordination Engine

November 2024

BD has identified patches from Microsoft® that have been identified as critical or security related for November 2024. The patches include updates that may adversely affect BD CCE. These patches should not be installed on CCE at this time.

Customers that maintain patches independent of BD automated delivery should ensure these actions are not performed as the acting responsible entity in order to maintain the correct security posture of the system(s).

Note: These patches only apply to the latest supported version(s) of the BD offering.

Microsoft® patches

Patch name	Description	Patch ID	Notes
