

Medical Segment Patents

Disclaimer and Notice:

The BD products listed in below may be covered by one or more of the identified patents. These lists are provided to satisfy the virtual marking provisions of the America Invents Act (35 USC 287). The content of these lists and association between products and patents may change due to events including, but not limited to: filing, publication, issuance, licensing, product changes, expiration, abandonment, and other circumstances. The list of BD products and patents may not be all inclusive, and other BD products that are not listed here may also be protected by one or more patents. The absence of any patent from any of these lists does not prevent the ability of BD to enforce all legal rights associated with the patent.

| Product | US Patent Number |
|--------------------------------|------------------|
| AccuCath™ Intravenous Catheter | 8728035 |
| | 9162037 |
| | 11565088 |
