

PleurX™ catheter system

Ordering information

What equipment do I need to order?

- Your patient will need a supply of PleurX™ drainage kits.
- PleurX™ drainage kits are available with two different size vacuum bottles: 500ml and 1000ml.
- Each drainage kit contains a vacuum bottle and a dressing pack.
- Please use the codes below to order.

BD Product Code	Description	Contents	NHS Supply Chain Code
50-7500B	PleurX™ drainage kit with 500ml vacuum bottle	1 box of 10 individual drainage kits	FCB13666
50-7510	PleurX™ drainage kit with 1000ml vacuum bottle	1 box of 10 individual drainage kits	FCB13667

How do I place an order?

- To ensure continuity of care, PleurX™ drainage kits are not available as a prescription item and are usually ordered directly from BD.
- Direct orders with BD can be placed by telephone: [01293 529555](tel:01293 529555).
- Orders received before 4.00pm will be dispatched on the same day, for next day delivery directly to the patient's home or health centre.
- If you have an urgent order after 4pm, please call our Customer Support Team on [01293 529555](tel:01293 529555).
- PleurX™ drainage kits can also be ordered through NHS Supply Chain using the codes above (right).
- BD cannot guarantee delivery times for orders placed via NHS Supply Chain.

Additional information

- If this is the first time you have used the PleurX™ system, you may want to discuss the ordering process with your manager.
- If you have any questions about PleurX™, or need advice on how to order, please contact your local BD Area Business Manager.
