

# BD<sup>®</sup> Knowledge Portal for Infusion Technologies

The BD<sup>®</sup> Knowledge Portal for Infusion Technologies was developed to help hospitals improve clinical practice and patient care through an intuitive, web-based infusion data tool. Results gathered through third-party surveys and case studies illustrate the positive impact that the BD<sup>®</sup> Knowledge Portal for Infusion Technologies has on optimizing use of the BD Alaris<sup>™</sup> system as realized by its customers.

**95% of surveyed customers** found it valuable.<sup>1</sup>

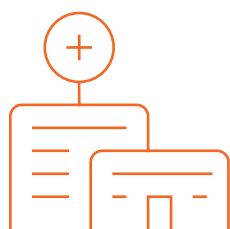

**88% of surveyed customers** found it helped their BD Alaris<sup>™</sup> Guardrails<sup>™</sup> Suite MX compliance.<sup>1</sup>

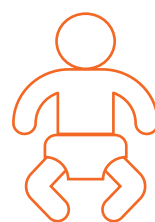

**85% of surveyed customers** reduced their nuisance alarms by using its alarm data.<sup>1</sup>

## Since implementing the BD<sup>®</sup> Knowledge Portal for Infusion Technologies:

Orange Regional Medical Center has achieved a **35% increase** in BD Alaris<sup>™</sup> Guardrails<sup>™</sup> Suite MX compliance.\*

\* Orange Regional Medical Center, Middletown, NY, internal audit data shared with BD

McLane Children's Medical Center has maintained BD Alaris<sup>™</sup> Guardrails<sup>™</sup> Suite MX infusion **above 96%** for longer than 1 year.†

† McLane Children's Medical Center, Temple, TX, internal audit data shared with BD

**78% of surveyed customers** have found that BD clinical infusion data consultants have helped them evaluate patient safety practices, monitor adherence to facility guidelines and/or support compliance efforts.<sup>1</sup>

*"Suggestions from our clinical infusion data consultant helped us focus on the key areas leading to improvements in both BD Alaris<sup>™</sup> Guardrails<sup>™</sup> Suite MX usage and override reduction."<sup>1</sup>*

**Director of Pharmacy**  
Large health system

*"The BD<sup>®</sup> Knowledge Portal for Infusion Technologies has greatly increased our BD Alaris<sup>™</sup> Guardrails<sup>™</sup> Suite MX compliance and helped improve communication between nursing and pharmacy regarding best practices as well as drug library setup."<sup>2</sup>*

**Katie O'Donnell**  
Pharmacist, HCA Healthcare
