

# Less paperwork. More visibility.

Automate medication workflows so you can stay focused on the mission

**BD Pyxis™ MedBank™ Solutions** automate the medication management process from inventory levels and expiration dates to tracking and reporting, so you can put your energy into leading your department, not chasing paperwork.

**Automates documentation** and reporting, reducing manual recordkeeping

**Tracks usage**, expiration and restock needs in real time

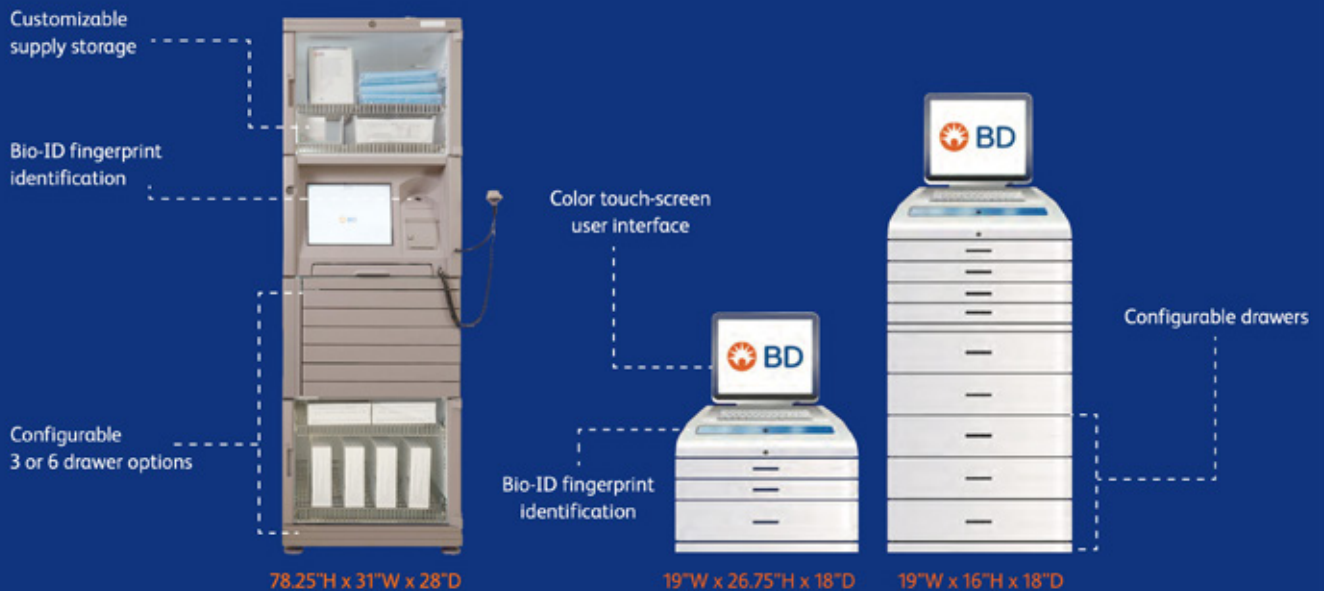

**Simplifies access** for authorized users while maintaining security

**Helps support compliance** and audit-readiness without added administrative effort

# The BD Pyxis™ MedBank™ Solutions

Customized hardware with the flexibility to meet your facility's needs

See how you can spend less time managing medication with BD Pyxis™ MedBank™ Solutions
