

# Security Patches: BD FocalPoint™ Large Lab Server

October 2022

BD has identified patches from Microsoft® that have been identified as critical or security related from February 2016. These patches were not found to adversely affect BD products and will be applied according to customers' service agreements.

Customers that maintain patches independent of BD automated delivery should ensure the validated patches are installed on their BD systems as the acting responsible entity in order to maintain the correct security posture of the system(s)
