

# Security Patches: BD Kiestra™ TLA and BD Kiestra™ WCA

December 2022

## BD Kiestra™ TLA and BD Kiestra™ WCA

Critical and/or Security Patches: October – December 2022.

BD has identified patches from Microsoft® that have been identified as critical or security related for October – December 2022. These patches were not found to adversely affect BD products and will be applied according to customers' service agreements.

Customers that maintain patches independent of BD automated delivery should ensure the validated patches are installed on their BD systems as the acting responsible entity in order to maintain the correct security posture of the system(s).
