

July 20, 2015

Dear Customer,

Thank you for your inquiry regarding the latex content of Infusion Disposables.

This is to confirm that all Infusion Disposables including Alaris[®] system pump sets, Med System III[®] pump sets, Signature Edition[®] pump Sets, Gravity, Secondary, Extension, Components, and Connectors are not made with natural rubber¹.

All Infusion Disposables packaging including all adhesive tapes, individual packaging, and shipping containers are not made with natural rubber¹. In addition, manufacturing does not use products made with natural rubber¹ during the product process.

Products are clearly labelled with the one of the following symbols:

For additional questions or concerns on our products, contact us at IVSetSupport@CareFusion.com.

Best Regards,

A handwritten signature in black ink that reads "Linda Ewing".
