Drug Facts

Active ingredient

Isopropyl alcohol v/v, USP

Purpose

Antiseptic

Use for preparation of the skin prior to an injection.

Warnings

For external use only. Flammable: Keep away from fire or flame

Do not use with electrocautery procedures

Do not use ■ in the eyes ■ on patients with known allergies to isopropyl alcohol

When using this product keep out of eyes, ears, and mouth

Stop use and ask a doctor if irritation, sensitization, or allergic reaction occurs. You may report side effects to FDA at 1-800-FDA-1088.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- remove the applicator wrapper. Do not touch the applicator tip.
- with the applicator tip facing downward, pinch the barrel of the applicator ONCE to release the antiseptic.
- press the applicator tip against the patient's skin. With gentle back and forth actions apply solution to the treatment area.
- the area covered should be allowed to dry naturally.
- discard after single use

Other information store below 30 °C (86 °F)

Inactive ingredient USP purified water
