Compound Benzoin Tincture, USP SEPP[®] APPLICATOR

Compound Benzoin Tincture USP, Cape Aloe, Storax and Tolu Balsam, 74-80% Ethyl Alcohol

Non-sterile Solution

Applicator is sterile if package is intact

INDICATIONS: Promotes adhesion of medical bandages.

WARNINGS: For external use only.

- Do not use in the eyes.
- Discontinue use if irritation and redness develop. If condition persists for more than 72 hours consult a physician.
- **Flammable, keep away from fire or flame.** Do not use with electrocautery procedures.
- Avoid contact with eyes, in case of contact rinse thoroughly with water.

DIRECTIONS FOR USE:

- Remove the applicator wrapper. Do not touch the applicator tip.
- With the applicator tip facing downward, pinch the barrel of the applicator **ONCE** to release the solution.
- Press the applicator tip against the patient's skin. With gentle back and forth actions apply solution to the treatment area.
- The area covered should be allowed to dry naturally.
- Discard after single use.

FOR SINGLE USE ONLY • FOR HOSPITAL & PROFESSIONAL USE ONLY
STORE AT ROOM TEMPERATURE 15° - 30° C OR 59° - 86° F
