Product made from
100% recycled materials

BD Recykleen™ Cabinets

BD Recykleen™ Cabinets are made with 100% recycled plastic, and are available in two sizes. This is in-addition to the cabinets made from virgin plastic.

Product made from
a minimum of 25%
recycled materials

BD Recykleen™ Trolleys

This line of trolleys is made with a minimum of 25% recycled material and replaces the original trolley line made from virgin plastic. Products come in 34 L and 72 L foot-operated versions. They facilitate stability and mobility of large collectors.
